I sucked cock today until it was ready to explode. I let him fuck my pussy until it was dripping wet and my pussy juices got all over us. And then I let him fuck me for two hours more until... drum roll, please... he made me cum. Check out our super-hot scene for free and see if you would do me like he did.

MACKENZIE MILES

I MUST BE SERVED

"Tony" was a successful bank manager in another life. Now he is Mackenzie's personal plaything, doing her bidding no matter how outrageous. "Did you finish cleaning my closet? Did you line the shoes up like a rainbow, the way I showed you? Did you? Don't stand there waving your leaky boner at me! Answer me!" Tony doesn't know what to say. Instead he drops to his knees and sticks out his tongue. He knows what's coming. "That's right! Clean my pussy and maybe I'll take a ride on your pathetic cock!" Sure beats kissing ass at the bank, Tony.

titty fucking

We men like to fuck a nice warm pussy, a tight little ass, a deep sucking mouth and... a nice pair of firm, plump boobs.

Not every woman can do this, but those that can, wow!

For the perfect titty fuck...

start with two large breasts, two hands to squeeze them, one hard cock that fits nicely in between, and finally, a mouth willing to stretch down and give it a lick or suck, and if done right, a swallow.

"I like it when my guy fucks between my boobs, It's actually fun for us because I can watch his cock piston in and out of my boobs. I can also adjust the pressure on his cock, or lick it when it comes close to my mouth. Fun stuff!"

"I have a rather long cock and sometimes it's just too long for some of my partners. It's too long for some of my babe's mouths and even their pussies. If I can get it into their asses, then it's too long there too. But give me a well endowed lady with D-sized boobs and I'll fuck them all night long. What I like to do is get them boobies warmed up with some baby oil and settle in with my hard on and start pumping away. The nice thing about my long cock titty fucking is I can reach her mouth and she can take my money shot at the end."

“When my last boyfriend told me he wanted to fuck my boobs, I laughed and asked how is he going to do that? I had never heard of that before. Granted, I was not that experienced at the time but I told him to go ahead. First he used his hands to hold my boobs together but that was awkward so I did it. I squeezed my boobs together and watched him go at it. It was fun. Nothing special for me but he liked it.’”

BRIDGETTE B

BOOBIES FOR DAYS

Dear everyone, thank you for visiting, even if it's for a few minutes and our relationship is temporarily confined to about twenty or so photos. And while it's relatively one sided; I can't see you, but you can see me, I don't mind. I actually kinda like it that way. I can do whatever I like and you can watch me doing it. Like I can suck a big dick and then you can see it shoved quite deep into my pussyon the next page!

poolside paramour

I was laying on a towel on my back with my feet dangling in the apartment complex's swimming pool. It's still over 80 degrees at 7pm and it feels so good to be cooling off. I had my eyes closed when I heard the sliding door open; a smile creeping across my face as I pictured my girlfriend Sandy, coming out to join me. Unfortunately, she went back home to visit her folks, but I thought she might return early. As I slowly opened my eyes to look, I was surprised to see her roommate strutting out. She was wearing a, let's just say, series of strings that were called a bikini out of courtesy. It looked like one of those numbers you'd see on the beach in Ibiza or Mykonos.

I made sure I did not react to her revealing apparel. "Oh, hey, Rich!" she exclaimed as she saw me. Though I have the sneaking suspicion she already knew I was out there. As I saw her strutting on her bare feet towards me and around the pool I couldn't help but reach down to my trunks to adjust myself quickly hardening cock.

"Hey Corrine. That's an interesting bathing suit." I said. She replied to my comment. "Hot, more like it! I got it a couple days ago." she said as she stood by the pool's edge, her hands on her hips looking down on me as I looked at and down seeing everything as the bikini left nothing to the imagination. "Do you like it?" she asked coyly. I cleared my throat and dropped my gaze past her body and down to my almost full stiffy and back to her eyes, "Yeah... I do... Very much."

She giggled at this and bit her finger as she stepped into the shallowest step of the pool and sat down next to met to me; the water barely reaching above her ankles. "Good. That's the right answer," she said at her gaze took in my body and fixated on my bulge. "And the right reaction." she said giggling again.. In the position I was in, there was little I could do so I tried to think of nothing.

I smiled back at her knowing exactly where this was heading and hoping it wouldn't because she was my girlfriend's roommate. That's when Corrine stood in front of me, legs on either side of mine giving me perfect view of her smooth barely covered pussy. Then she lowered herself onto my lap. When she was settled in she put her arms over my shoulders and came in close to my ear and whispered, "I'm wet Rich." She pulled away after this and kissed me gently on the lips as her firm boobs pressed against my chest and she made a purring sound that made my cock jerk again, this time finding resistance against her barely covered pussy.

"Uh, yes, I can tell." I whispered back. "I feel your boobs." I asked as she lightly teased her lips against mine. "Maybe," she purred again as she pulled my face up to one of her barely covered tits. " I want you to suck and bite them, Rich." A smile crept across my face again, but I had to complain. "Corrine, you know I can't do this. What about, Sandy. We both have to deal with her, and I just can't." I pleaded.

"Sandy said I could do it. She wanted me to

A smile crept across my face again, but I had to complain. "Corrine, you know I can't do this. What about, Sandy. We both have to deal with her, and I just can't."

entertain you while she was away. I said I had to call her to confirm as I reached for the cell phone beside me. She stopped me by reaching across be to grab mu arm. In doing so her boob ended up right at my mouth. She noticed this too and rubbed her boob into face and lips around her covered nipple and teased me with it.

Though that did not last long before my finger pulled the top to the side and I began to tease her areola with my tongue. I heard her moan at this as her arms wrapped around my head hugging me close as I continued tonguing her nipples. "Are you positive that Sandy said this was okay?" I asked, feeling the guilt inside me begin to subside.

"Oh yeah, I heard her say so as she walked out the apartment." she said in her most sincere voice.

By now, my cock, straining against my trunks was becoming uncomfortable. I did not want to do this in the open, so I told her that we should move to those loungers in a darker corner. She got up off me and I grabbed my towel and followed. I laid my towel out on the chairs and by the time I released it out of my hand, Corinne had pulled them off, freeing my cock. She pushed me down on a chair as she straddled me and furiously rubbed her pussy lips over my cockshaft, purring and so wet.

Her eager movements made her barely-there bottoms to slide to the side exposing her bald, tight pussy to me. Her purring just serving to make my cock even harder than it already was, her bare pussy lips now rubbing directly on my dick. "Make me take your cock deep inside," she purred into my ear. I am feeling so very naughty, Rich. I want it a little rough and wild."

Those words... those wanton words coming out of her mouth served as a switch for this Rich to become a bull. I wrapped one hand around her boob and squeezed gently while my other hand took hold of her ass and lifted her up in the air hovering her over me, allowing my cock to stand at attention, finally. I began to lower her on to my cock, as her tight pussy opening up to the head of my dick. "Is this what you want?" I ask. I paused at this last statement.

I released my hand from her boob and the hand holding her by her ass, and I let her full weight drop onto my dick fully impaling her and feeling her. I could feel the head of my cock hitting her cervix before being fully in her; a few inches still protruding from her pussy. And with the feelings of my cockhead hitting her cervix she instinctively moaned, but I couldn't tell if it was pain or pleasure.

And I started to pound it in and out of her forcefully and without mercy. I tightened my grip on her ass cheeks. Panting, her pussy gripping tight on my cock inside her with every spasm.

But this position is awkward and so I lifted her off my cock. Besides, I want to be able to see my dick slide into her sloppy, soaking pussy. So once she was off me I told her to get on her knees. Splayed out for me on the towel, I hear her moan and I see her pussy contracting, pulsing at it's emptiness, wanting my cock to fill her up. She began to wiggle her ass and hungry pussy for me.

I got behind her and reached over taking a fistful of hair as I lined my cock up at her entrance. Without warning I pulled her head up and back as I plunged my fact cock into her hungry hole and I heard her yelp in ecstasy and lust.

She moaned as I felt her pussy try to grip my cock even tighter to keep me in place but not being able to if I continued my merciless pounding, deeper and deeper into her. I let her lean forward again, supporting herself with her elbows as I grabbed onto her

I laid my towel out on the chairs and by the time I released it out of my hand, Corinne had pulled them off, freeing my cock

shoulder for leverage while my other hand continued to hold onto her hair. I pounded away, making her moan even louder.

Not knowing if from actual pleasure or not, she screamed holding me deep inside her. She drove herself back in rhythm to my pounding. Feeling her tight pussy contract around my cock, I couldn't help from grunting out that I was about to cum. Once again I wrapped my hands, both of them now, around her boobs and pulled her up against me, lifting her arms off the ground. My thrusts are so powerful they may her knees come off the towel making her airborne.

She screamed as she came again and pressed back onto my cock as her pussy gripped tighter to take more of me and to milk me dry. I could feel her pussy muscles tighten around me with each spasm of her orgasms and her deep intakes of breath. She panted as her pussy gripped hard on me.

Not holding back any longer, I let a flood of cum coat her insides. Before my final spurt, I pulled my cock out and my eager partner quickly turned around to take the final spurts into her mouth. In her hurry, she wasn't able to get it all in there and some ended up on her pretty face.

She rubbed some of my cum onto her face and pushed the rest into her mouth. But that didn't seem to be enough, She grabbed my cock in one hand and my balls in the other. She leaned forward and began to suck on my semi-rigid cock. She took it all down her throat and within a minute, it was hard again. She slowly pulled her head back as it's length grew in her mouth. Then she proceeded to use her tongue to search out any more cum still on my cock and balls.

Unfortunately, we hear the doors to the pool area open and a couple girls come out to enjoy the amenity. Quietly we watch them settle in and in no time they start making out. Corinne and I chuckle as we watch for a moment. Then suddenly I realize one of the girls is Sandy. I whisper that to Corinne and she seemed surprised. Or was she?

Before my final spurt, I pulled my cock out and my eager partner quickly turned around to take the final spurts into her mouth.

LET'S LUNCH IN

I just got back from Europe yesterday where I made a few hot movies. Everyday was at least two or three guys and sometimes three or four other girls. While it was exciting and stuff I hadn't done before, when I got back here I just wanted a good slow, one-on-one fuck where I was in control again.
